P. O. Box 2366

Colorado Springs, Colorado 80901

Dear Sirs:

I have enclosed several photographs of my display in the Bank of American branch in Colton, Calif. during National Coin Week. It was seen by nearly 2000 persons inside and over 3000 viewed the posters displayed in the front windows of the bank from the outside the bank in the shopping center.

Also, the display at the San Bernardino County Coin Club monthly meeting at which time I gave a 3-minute talk on the display and National Coin Week Activities.

I would appreciate certificates for:

* R. E. Cones - Bank of America, Branch Manager

☞ Judy Linberg - Bank Manager's Secretary

both instrumental in assisting and providing permission to have display.

Also, certificate for Gil Daab, San Bernardino County Coin Club President.

I have already received permission to have a larger case type display for 1974 National Coin Week.

Sincerely,

Albert K. Hall

THE CALIFORNIA STATE NUMISMATIC ASSOCIATION'S convention is still on in the beautiful city of Oakland, April 27, 28, and 29. If you have attended one of the State conventions, nothing needs to be said, but if you have not you should experience the thrill of a "BIG" convention. Coins you have only heard of are on display and coins you have dreamed of owning are on sale at a price you can pay.

SPECIAL NOTE TO PAST PRESIDENTS. Please make every effort to attend the May meeting. You are to be given some attention so you should be there.

NOTE TO OTHERS. In case you do not know who our past presidents are, here is a year-by-year list. 1948-49 Bryan Burke, 1950-51 Lloyd Blue, 1952 Bland Haydon, 1953 Opie Arnold, 1954-55 John Yribarne, 1956 Ben Coon, 1957-58 Duke Lages, 1959-60 Charles Colver, 1961-62 Dan Harley, 1963-64 Sylvia Novaek, 1965-66 Fred Gutekunst, 1967-68 Howard Smith, 1969-70 Bill Wisslead, 1971-72 Randy Briggs, and 1973-74 Gil Daab.

CAVEAT EMPTOR

This Roman maxim may not be completely correct in its "let the buyer beware" but it's a good rule to look at a coin before you bid on it at an auction.

The club will adjust any error which the buyer will authorize but can not be a ruler or censor in the grading of the coins offered on the auction board. Please take a minute and check any coins you may bid on. Avoid disappointments.
